Elementary School Supply/Student Fee List 2025-2026

Elementary students pay a \$55 fee in September. This fee is to cover the cost of the school purchasing all the school supplies that the students need. It also goes toward other educational purposes, such as specialty items, certificates, medals and more.

Please do not send supplies from home for your child as they will be absorbed with the other supplies and will not be given directly to your child.

Please pay fees using School Cash Online. This is our preferred method, this way you do not have to send money with your child to school. The fee will be posted to School Cash Online at the end of August. If you need to make payment arrangements, please contact Sandra.

Elementary students will need to bring the following:

All Elementary Students will need to bring:
