## Middle Level & High School

### Student Fees 2025-2026

Middle Level and High School students pay a \$45 student fee that is due in September. A portion of this fee is used for rental of locks and lockers, registration for school events and the purchase of some materials.

We ask that you please pay this fee using School Cash Online. This is our preferred method of payment, this way you do not have to send money with your child to school. Please note: if you need to make payment arrangements, please contact Sandra.
