Elementary School Supply/Student Fee List 2026-2027

Elementary students pay a \$60 per student fee in September. This fee covers the cost of the school purchasing all the school supplies that the students need and other educational purposes, as needed. All families are expected to pay this fee.

Please do not send supplies from home for your child as they will be distributed to the classrooms with the other supplies and will not be given directly to your child.

Please pay fees using School Cash Online. This is our preferred method of payment, this way you do not have to send money with your child to school. The fee will be posted to School Cash Online at the end of August. If you need to make payment arrangements, please contact Sandra.
