## Middle Level & High School

### Student Fees 2026-2027

Middle Level and High School students pay a \$55 per student fee that is due in September. A portion of this fee is used for rental of locks and lockers, registration for school events and the purchase of some materials. It is also used for Other Educational Purposes as needed. All families are expected to pay this fee.

We ask that you please pay this fee using School Cash Online. This is our preferred method of payment. Please note: if you need to make payment arrangements, please contact Sandra.
