

March 2024

Community Co-Ordinator News -

Happy March Break! Hope everyone has a chance to get some rest and ready for the last few months before the end of the school year.

This month we are very excited to be hosting a Skilled Trade Expo at the school on March 14th. Thanks to all of our exhibitors that are attending.

Thank you to our Home & School group who continue to support school initiatives. Without their support many activities we get to enjoy would not happen.

Breakfast program and Wednesday free lunch programs continue thanks to our Culinary class. If you'd like to support these programs, please reach out to Marcy or Sandra at school.

Weather -

Just a reminder that March will bring a change in the weather. Please remind your elementary child that it can still be very cold out. Students MUST wear the appropriate clothing for the weather.

Even though the sun may be shining does not mean that it is warm enough to not wear their coats, hats, or mittens on a cold day. The wind on the playground can be very very cold. Elementary students need to have snowpants, boots, hats, and mittens to wear when they go outside to play.

Kindergarten to grade 2 students go outside 3 times a day and grade 3 to 5 students go out twice. Everyone needs to be dressed appropriately.

Dates to Remember

Movie Night -

The C-NCS Varsity Girls Volleyball team will be hosting their first monthly MOVIE NIGHT at the school on Friday March 22nd. The doors will open at 6pm and the movie will begin at 6:30pm. This will be a community event where all friends and families are invited to attend! The cost of admission will be \$10/person or \$30/family and includes a bag of popcorn, a drink and a snack. Feel free to bring camping chairs, mattresses, blankets etc. to make yourselves comfy during the evening. Movie being shown to be determined soon! Outside food and drinks will be permitted. No alcohol will be permitted on site.

Utensils and water bottles -

Just a reminder that we are a designated a Sustainable School which means we have the responsibility to make smart choices when it comes to protecting our environment.

We do not provide utensils and cups to students. We have several students who still look for dixie cups or spoons and forks, some come daily looking for these.

Please make sure that your child comes to school with a water bottle and utensils that will be needed for the lunch.
