

June 2024

Community Coordinator News –

June is upon us and incredibly another school year is wrapping up. It’s been a great year and we’ve had a busy month celebrating with year-end field trips, awards nights, and year end events. We want to send a special thanks to our Gr. 12 Culinary students who will be graduating: Michaela, Lana, Casey, Dakota, Abby, Brighton, Logan, Wyatt and Paige. They are an integral part of our school and help to provide lunches 3 days a week to our school population. We’re sure going to miss this group of students as they’ve been an exceptionally hard working and pleasant group of students to work with. This little group of 9 students help to prep and serve around 300 school lunches every week, in addition to preparing breakfast snacks, Soup & Senior Social lunches, plus many other things. Mr. Wilson and I are going to miss you!!

We want to send another big thank you to the Lions Club 50/50 program, who generously contributed another \$500 to our breakfast program!

Thank you to Cody’s Baptist Church, Akerley Quilt Guild and Kennedy Mechanical for their generous contributions to our nutritional programs here at C-NCS! Also, thank you to community members that have made significant contributions to our programs. It is so greatly appreciated.

As our food programs are wrapping up, I’d like to say a special thank you to Rita, April, Sheila, Stan, Deanna, Teresa and Candice for their time volunteering with our breakfast program. We are looking forward to having them back next year! If anyone else is interested in spending 1 hour a month helping to contribute to the wellbeing of our students, please contact Marcy over the summer and I’ll give you all the details! We have lots of fun!

Lunch programs will be available Monday June 3rd, and Tuesday June 4th. Our Elementary students will get to have their Wednesday free lunch on THURSDAY June 6th with our Elementary BBQue! Please note there will not be free lunch Wednesday, June 5th. All lunch programs are done for the year after next Thursday’s Elementary BBQue.

Prom & Graduation – Prom will be held on Tuesday, June 18th from 7-10pm. Family, friends and community members are welcome to come to the greet the grads as they arrive and go to the gym for pictures. After pictures grads and students will get to celebrate.

Graduation will be held on Thursday, June 20th from 6:00-7:30 pm. Everyone is welcome to attend. Safe Grad will begin promptly after receiving line.

Dates to Remember

June 5	High School Field Trip
June 5-7	Grade 5 Field Trip
June 10-14	Assessment/Demonstration of Learning HIGH SCHOOL ONLY
June 11	Elementary Track & Field SELECTED STUDENTS ONLY
June 13	K-2 Field Trip to Hop! Skip! Jump!
June 14	Water Day (Outside activities)
June 17	Grade 3-5 Field Trip – Late Return
June 18	Prom 7:00 pm
June 20	Middle Level Field Trip – Late Return
June 20	Graduation 6:00 pm
June 21	Last Day of Classes

Grade 3-5 & Middle Level Field Trips

– Grade 3-5 will be having a field trip to Green Hill Lake camp on Monday, June 17th. Middle Level students have a field trip to Green Hill Lake Camp on Thursday, May 20th. Both of these trips will NOT be back for bus time. Students will return to the school by 4:15 and must be picked up promptly at 4:15 by an approved adult. There will be no bus to take them home since the return time to school is after regular bus time.

Phys. Ed classes during June –

A reminder for Physical Education that we may go outside at times! Please be mindful of the shoes you send with your child. This may also be true for other classes, we often do activities outside so the best option is sneakers! Flip flops may limit their ability to participate safely in these activities! Thank you.

Thank You from Grade 12 Students

The graduating class of 2024 would like to thank everyone for their support during the school year during fundraisers and other events.

Sunscreen, Hats & Bug Spray –

Hot days have arrived. Please remember not to spray sunscreen and bug spray on your child at home. We have staff and students with severe allergies. Please send sunscreen and bug spray with your child and they can put it on when they are outside. Thank you.

We also encourage students to wear a hat when outside, especially elementary students who spend a significant amount of time outside due to recess.

Last Day of School –

Please note that the last day of school has officially changed. Last day of school for students will be Friday, June 21st. Students will be leaving school at noon.

Please note: that sometimes bus drivers do something special with their students which could potentially make them later than normal returning home on the last day of school.

Elementary – Reminder that Frozen Treats will be on sale every Tuesday and Thursday for elementary students. \$2.00 each treat.

Grade 8 Graduation –

Grade 8 Graduation will be held for the parents or guardians of grade 8 students who would like to attend their graduation ceremony on Wednesday, June 19th at 10:45 am

There will be a small ceremony followed by the students putting their handprints on the wall and then a small potluck.

If you have any questions, please reach out to Heather Bailey. Her email is heather.bailey@nbed.nb.ca

Sports –

District track and field for grades 3-5 is June 11th at the Oromocto turf. If your child has made the district event they will receive a permission slip with their name and what events they will participate in. If your child is attending, please send them with sneakers, a water bottle, and a packed lunch that does not need a microwave. Last year we ate lunch at the field! It can be very hot and sunny, please apply sunscreen prior to coming to school! If your child enjoys reading, I would encourage them to bring a book, there can be a lot of down time between events. If you want to help volunteer at the event please contact Mrs. Seipp!

As the year comes to an end, I would like to say a MAJOR thank you to all our coaches and volunteers over the various sports seasons.

Athletics at Cambridge-Narrows would not be possible without you. Congratulations to our athletes who have worked hard, celebrated their successes, and persevered through challenges. We look forward to another great year in the fall! As a reminder, please make sure to return any jerseys you may have at home!

Have a great summer!
