Kindergarten Registration for September 2025 -

Registering gives us the much-needed time to organize and plan for the children. Our staffing for September is based on the student population that we have by the end of May. So, registering ensures that we have the proper number of teachers in place for September 2025.

Community Co-Ordinator News -

Lots of activities going on this month at our little school!

As the holiday season approaches, we are reminded of the importance of community, generosity, and kindness. This year, we excited to be once again doing our **Christmas Angel program**. This initiative designed to support local families who could use help making the season magical for their children. The Christmas Angel program gives our school community a chance to come together and ensure every child has something under the tree. You can support this by making a monetary donation at the school. Donations will be passed on to the Oromocto Food Bank who will be purchasing the gifts for registered families. We have several of our school families who are a part of this program. For every \$10 donated, you can enter your name for one of three draws - Culinary cookie platter, 4 free Farm to School lunches or 4 free Culinary lunches.

Whether you're able to give big or small, every contribution makes a difference. Together we can brighten the holidays for those in our community who need it most.

The Student Council will also be doing the **Reverse Advent Calendar Food Drive**. Every day in December, there will be a different item that we'll be asking for donations of. During the last week of December we will be having our school wide bingo based on each classes donated items!

We will also be having our annual **Holiday Shopping Fundraiser** on Dec. 16th - 17th. We are looking for gently used items to be donated to this great event. Any small gift type items suitable for Mom & Dad would be appreciated. The students get to shop for items and our helper elves will wrap their presents, so they'll be ready to go under the tree!

We are excited to be going to the Jemseg Lions Club for turkey dinner for the entire school, this month!! Thanks to them for this amazing opportunity!

I would like to wish all of our students a very Happy Holiday Season! A special thanks and appreciation to our Culinary students who have been working extra hard to feed all of our students. We are still accepting donations to the Wednesday free lunch program. You can go to our website and contribute at the "Feed a Husky" link.
