Community Co-Ordinator News –

Happy Spring! For a month with lots of short weeks, there are a lot of activities packed into this month! We have a Rising Youth Entrepreneurship Summit coming up at Mt. Allison for all of our Gr. 7 & 8 students. Thanks to EECD for their support in sending our students to this awesome event! Our final Soup & Senior of the year will be happening on May 9 at the Municipal Building. The seniors in the community love this event and we really thank our culinary students for taking on this great intergenerational event. We also have WE Believe day happening for a group of leadership students on May 15th. You can check out this great day and the sponsors by googling We Believe Saint John. Watch for permission slips for these events and please return them asap. It makes it much easier for the organizers of these events.

The C-NCS graduate baccalaureate service is happening on May 18th at 10:30 am at the Mill Cove Church. This is open to our community and all are welcome!

The C-NCS Sports Awards Night on May 29th. This is a great night to celebrate our student athletes. We are so proud of our students that work hard on their studies and maintain their good grades and play school sports. Community members are welcome to attend. This is a potluck event, so feel free to bring some goodies to share.

We want to send a huge thank you to President's Choice Children's Charities for their support of our breakfast program. In one school year we serve approximately 18,000 breakfasts/snacks for students. When you support PCC at our local Superstore, your dollars directly impact our school! Thank you so much! Next month, June brings the end of another school year and many graduation celebrations. If you are able in any way to support any of these end-of-year events, please reach out to our school and let us know.

Dates to Remember

June 17	Prom
June 19	Graduation

Elementary Fundraiser

Elementary is continuing to sell gum on Fridays for 1\$.

In sports this month:

The volleyball season is winding down, congratulations to all teams for your hard work and dedication over the season. Thank you to our coaches who put in a lot of time and effort to provide our students the opportunity to play in sports! The next season will be Track and Field. Grades 3-5 will be participating in Physical Education with Mrs. Seipp, and high school will have a team as well with Mr. Bragg! We look forward to seeing you participate!

We are in the middle of our Jump Rope for Heart campaign in support of the Heart and Stroke Foundation here in New Brunswick! Envelopes went home this week, you can collect cash or visit nbjumpropeforheart.ca and search for Cambridge-Narrows and donate online! Students will receive prizes based on the amount they raise. Our top 3 fundraisers will have the opportunity to pie Mrs. Seipp in the face (or another teacher that is willing to volunteer)! We also receive part of the funds back to the school for PE equipment which is a great bonus! If you have additional questions, please reach out to Mrs. Seipp. Thank you for your support, happy fundraising!

Attendance -

We are noticing that an increasing number of students are late for school. School starts at 8:25, so students arriving after that time are late.

Students are missing important announcements and class time when they arrive at school late.

Please make sure that your child is here and in their classroom for 8:25. Thank you.

Grad Class -

Thank you to everyone who donated bottles to the grad class bottle drive. We appreciate your kindness and generosity.

Talent Show -

The C-NCS Talent Show will be held on Thursday May 22nd, starting at 6pm. Come out and see the talent our students have to offer!
