Students only attend school on the days they have a final exam unless they have made prior arrangements with a teacher.

If an exam is not listed, the class does NOT have a final exam, just a final project or assessment.

Missed exams must be rescheduled with the teacher and approved by the office.

Buses will run at regular times.

After the Exam:

- Students **may leave** if they have a ride home.
- Students **may stay** in the designated study room until end of day buses to review or complete assignments.
- Students **may work with a teacher** for credit recovery or extra help.
- Students with **online courses** will be making arrangements with their online teacher for final exams and assessments.

Please plan ahead/for demonstration of learning week.
